Ionuț-Claudiu Leonte

Junior Frontend Developer

About me

"I am a proactive and dedicated individual with a passion for web development. Recently, I completed the accredited 'Junior Frontend Web Development' course at IT School, which has equipped me with the necessary skills to build responsive and user-friendly websites. I am constantly learning and exploring new technologies to enhance my knowledge and stay up-to-date with the latest industry trends.

At the moment, I work remotely as a Junior Frontend Developer. As an experienced Junior Frontend Web Developer, my goal is to continuously develop and create innovative web solutions. With a strong work ethic, attention to detail, and passion for web development, I am confident in my ability to contribute positively to any team and help achieve their goals. I am actively seeking opportunities to further enhance my skills and stay up-to-date with industry advancements."

Work Experience

03.2023 - present

True Software Technologies SRL

Junior Frontend Developer

- Skilled in designing web pages and developing SPAs from scratch using **React.js** (components, state, props, context, hooks, routing, component lifecycle, event management, handling forms, CSS Modules), as well as leveraging popular CSS frameworks like **Bootstrap** and **Tailwind** for efficient and responsive UI development.
- Experienced in using Axios for seamless integration with APIs, enabling smooth data fetching and manipulation. Proficient in working with APIs and implementing CRUD operations for efficient data management.
- Experienced in Git for version control and collaboration in web development projects (GitHub).
- Experienced in npm package management.
- Familiar with **Agile** methodologies and experienced in using Jira for project management and task tracking.
- Adapted to remote work, demonstrating strong organizational skills and self-motivation to maintain productivity and deliver high-quality results.
- Collaborated with exceptional colleagues, fostering a collaborative and growth-oriented work environment.

2021 - 2022

CLdN Malta Ltd.

Engine Cadet - Ro/Ro Ships

I worked with an international team, improving my communication skills and adaptability. I collaborated effectively, solved problems efficiently, and developed a strong teamwork ethic to maintain the vessel's operations.
